

Library Perfin. Bulletins 230, 241 4 244.

ARTHUR JENNION, whilst browsing in a bookshop off Charing Cross Road, came across a book with "Westminster City Libraries" perfin on the flyleaf. For the princely sum of 50p he has a bargain! The interesting point is - the book only being published in 1979 this is the earliest date the perfin could have been applied - thus extending the date from 1960. Keep looking you bibliophiles.
